Sample LIVE LINKs on a page from

TEST's 2013 Online Buyers' Guide—

1 *the company NAME has been converted to a LIVE LINK,*

2 *and the LOGO for that company is also a LIVE LINK*

to take the user to that company's website.

LIVE LINKS: Available ONLY in TEST's ONLINE Buyers' Guide

AUTHORIZATION to CONVERT OUR LISTINGS in TEST's BUYERS' GUIDE into LIVE LINKS direct to OUR WEBSITE:

I authorize _____ LIVE LINKS with FREE LOGOS in TEST's 2013 ONLINE Buyers' Guide:

I understand that: **1 Live Link with Free Logo** will cost \$350; **2-5 Live Links with Free Logos** will cost \$300 each; **6-10 Live Links with Free Logos** will cost \$280 each; **11-15 Live Links with Free Logos** will cost \$265 each; **16 or more Live Links with Free Logos** will cost \$250 each.

I authorize **TEST Engineering & Management** to "liven" my company's Online Buyers' Guide listing lines, with the logo I provide, into direct links to my company's website, as specified on the order form below. I also understand that these Live Links with Free Logos will be effective from about March 1, 2013, when **TEST's 2013 Online Buyers' Guide** is posted to **TEST's** website, until it is replaced with **TEST's 2014 Online Buyers' Guide**—that is, until about March 1, 2014.

THE magazine specifically devoted to physical and mechanical testing and environmental simulation

Online (“Live Links”) Advertising Rate Card No. 3

In effect through the March 1, 2013 to March 1, 2014
year of TEST’s 2013 ONLINE Buyers’ Guide

Advertising in the Online Buyers’ Guide: Advertising in the Buyers’ Guide section of TEST’s website is available only to companies listed in the Buyers’ Guide, and only for the entire year (from this March 1 through next March 1). Advertising consists exclusively of “Live Links” as described below. Live Links may be placed and activated anytime during the year, but will be charged as if placed for the entire year.

Live Links: LIVE LINKS are individual lines in TEST’s Online Buyers’ Guide that have been converted into links directly to that company’s website. That is, one Live Link would be a specific company’s listing under a specific single Buyers’ Guide category that has been converted into a link.

Individual Live Link “landing” locations: Each linked line may be directed to a unique location or page in the company’s website. For example, a company that makes shakers, shaker control systems, and amplifiers might buy a Live Link of their listings in each of these categories, with one link taking the user directly to the company’s website page showcasing their latest shaker model, the second link opening to the control systems section of their website, and the third going directly to the amplifiers page. In addition, the company’s contact information may also be converted to a Live Link, and this link might direct the user to the website’s home page. The choice of website landing location for each Live Link is specified by the advertiser; however, if no location is specified, all Live Links will be directed to the home page of the advertiser’s website.

Free Logos: COMPANY LOGOS will be placed where each of a company’s paid Live Link lines are chosen, at no further charge, and the logo with each Live Link will also function as a link to the same location in the company’s website as the adjacent Live Link. (See the sample Live Link on the second page of this PDF.)

Logo file specs: COMPANY LOGOS must be provided to TEST as digital files (GIF or JPEG) that are a maximum of 500 pixels height-plus-width, and will be presented in the Online Buyers’ Guide in full color.

Design services: In the event the advertiser cannot provide a suitable digital file, TEST will prepare the file from a high-quality full-color digital file or a high-quality reproducible print for a one-time fee of \$50.00.

Rates: 1 Live Link \$350.00 each per year 6–10 Live Links \$280.00 each per year
2–5 Live Links ... \$300.00 each per year 11–15 Live Links ... \$265.00 each per year
16 or more Live Links ... \$250.00 each per year
