TEST Engineering & Management magazine is published six times a year as follows:

- February/March issue..... Published mid-February
- April/May issue Published mid-April
- June/July issue Published mid-June
- August/September issue Published mid-August
- October/November issue Published mid-October
- December/January issue..... Published mid-December

Subscriptions may be purchased for one or two years. They begin with the next issue following receipt of your written request and advance payment. Payment options are:

(1) PAYMENT BY CHECK: *Checks from outside the United States must be made from, and payable to, a United States bank.* Make checks payable to "The Mattingley Publishing Co., Inc." or "TEST Engineering & Management" and send to the address at the bottom of this letterhead.

(2) PAYMENT BY WIRE TRANSFER: Contact us for specific bank, method, and account number information, *and add \$30 to the subscription amount you are paying.*

We send all foreign subscriptions by Air Lift Consolidation, unless your written subscription request states that you wish delivery by U.S. Postal Service Air Mail. In that case, your payment must include \$30 *in addition to* the subscription and other amounts shown above.

You have four months from the "Published" dates listed above to register claims for missing issues—that is, until mid-June for the February/March issue, etc. We do *not* honor claims for issues presented more than four months after publication dates.

In your written request for a subscription, please type or print the name and mailing address line-for-line **exactly** as your postal service requires the mailing label to look.

If you have other questions, please contact our Office Manager by phone, FAX, or e-mail.

Thank you!
